

Program Guidelines

- Participant fee must be paid on or before the first appointment. All participant fees are non-refundable.
- Participation is valid for one (1) year. Participants must pay an annual renewal fee on or before their anniversary date to receive ongoing benefits.
- Restrictions apply with CareCredit, Sunbit, or other financing options.
- We reserve the right to modify the plan at any time.

We recognize that not everyone has dental insurance, and too often, our patients are unable to afford regular preventive dental care. We'd rather see you twice a year for cleanings than several times for emergencies. Our goal is to help you achieve and maintain the healthiest mouth possible! That's why we created our Membership Plan. As an alternative to dental insurance, our office's program is designed to make high-quality dental care more affordable and accessible for everyone. For an annual fee, members receive their biannual preventive care—healthy mouth cleanings, exams, and X-rays—at no additional cost, along with discounted prices on all our procedures, including fillings, root canals, and crowns.

Preventative Membership Plan

Over \$1,400 value for \$450
